**Subject:** TRI-FOLD Publication - both languages - Final

Greetings, please see enclosed files of the Tri-fold publication in both languages. I want to thank you for support and guidance given on the completion of this publication.

It was a lot of work but the CORE Team (communication officers, OITA rep., and POs) along with other key team members, worked very hard to complete it.

We are awaiting the final printed copies in Spanish and hope to release it soon afterwards.

- We'll be working on **a strategy** to get this publication out to external and internal audiences. And we'll keep you abreast on next steps..

Please let me know if you have any questions, comments, etc.  
Thankyou,

Lorena
